INTERGOVERNMENTAL REVIEW

CLEARINGHOUSE REPORT

April 1-30 2008

The Regional Council is comprised of 75 elected officials representing 187 cities, six counties, four County Transportation Commissions, and a Tribal Government representative within Southern California.

SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS

INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

This Intergovernmental Review Clearinghouse Report summarizes the federal grant applications, environmental documents and other information received by SCAG's Intergovernmental Review (IGR) Section during the period **April 01 through April 30, 2008**. The Clearinghouse Report consists of two sections, Federal Grant Listing and Environmental Documentation Listing.

The Federal Grant Listing is provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The listing includes state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation Listing describes regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

A SCAG Project Identification Number organizes project descriptions for both the Federal Grant and Environmental Documentation listings.

IGR CONTACT

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to **May 31, 2008**. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Mailing Address:	Southern California Association of Governments Intergovernmental Review Section 818 West Seventh Street, 12 th Floor Los Angeles, CA 90017-3435
Telephone:	(213) 236-1800
Fax:	(213) 236-1963

Questions regarding the Clearinghouse Report should be directed to Laverne Jones, (213) 236-1857.

Project Title: MacArthur Park Elementary School Addition Project
Reg. Significance: No
Lead Agency: Los Angeles Unified School District
City/County/Subregion: City of Los Angeles/Los Angeles/Los Angeles City
Contact: Grace Estevez - (213) 893-6868
Comment Due Date: 5/3/2008

Project Description: The proposed project consists of the construction and operation of an additional to the existing MacArthur Park Primary Center campus. Approximately 35,000 square feet of new space will be added to the existing 15,000 square feet of the MacArthur Park Primary School Campus. Classrooms, a multi-purpose building, library, food services building with a food shelter, playfield, and an underground parking structure will be built. The proposed project will provide 400 new seats to the existing 250 seat campus and will add 16 new classrooms to the existing 10 classrooms.

The proposed project site is located at the intersection of 8th Street and Parkview Streets in the City of Los Angeles. The proposed project will be developed on the existing MacArthur Park Primary Center campus and on adjacent land that will be acquired.

SCAG ID. No.: I20080194
Document Type: EIR
Project Title: Termino Avenue Drain Project
Reg. Significance: No
Lead Agency: County of Los Angeles Department of Public Works
City/County/Subregion: Long Beach/Los Angeles/Gateway Cities
Contact: Dale Sakamoto - (626) 458-3915
Comment Due Date: 5/19/2008

Project Description: The proposed project involves storm drain improvements in southeastern Long Beach. The project area is located in the southern portion of the San Gabriel River watershed, which has historically had flooding problems. Specifically, the project addresses a 799-acre sub-watershed that drains into Colorado Lagoon and Marine Stadium.

The proposed project site is located in the City of Long Beach in Los Angeles County. The proposed storm drain alignment generally falls within existing roads and a former Pacific Electric (PE) Railway right-of-way. The mainline of the proposed project would run along Anaheim Street, southerly on Termino Avenue between 8th Street and 11th Street, along the PE right-of-way, across several streets, and along Appian Way, terminating at Marine Stadium.

SCAG ID. No.: I20080195
Document Type: NEG
Project Title: Alamitos Bay Marina Rehabilitation Project
Reg. Significance: No
Lead Agency: City of Long Beach
City/County/Subregion: Long Beach/Los Angeles/Gateway Cities
Contact: Jill Griffiths - (562) 570-6191
Comment Due Date: 5/5/2008

Project Description: The proposed project would renovate the existing Marina facilities, including upgraded American with Disabilities (ADA) compliant facilities and the following: (1) dredging the Marina basins down to original design depths; (2) replacing and/or upgrading 13 restrooms along with their associated water and sewer laterals; (3) repairing the sea wall where necessary to reestablish the rock revetment along the slope to the basin floor; (4) complete dock and piling replacement; and (5) replacing the pavement in the Marina's parking lots. The project includes two construction staging areas: one located in a parking lot on Marina Drive near Basin 2; and one located in a parking lot on Marina Drive near Basin 3, adjacent to the Marina Shipyard. The project is located in Alamitos Bay in the City of Long Beach and the County of Los Angeles, California.

SCAG ID. No.: I20080196
Document Type: NEG
Project Title: Interstate 405 (I-405)/Wilmington Interchange Improvement Project
Reg. Significance: No
Lead Agency: City of Carson
City/County/Subregion: Carson/Los Angeles/Gateway Cities
Contact: Anne Kochaon - (626) 440-6055
Comment Due Date: 4/30/2008

Project Description: The City of Carson, in cooperation with the California Department of Transportation (Caltrans), proposes to widen Wilmington Avenue and 223rd Street at the I-405/Wilmington Avenue interchange in the City of Carson, in the County of Los Angeles. Additionally, the proposal includes the addition of a new northbound on-ramp, and the widening of existing on-and-off-ramps to the I-405 freeway. The purpose of the project is to alleviate traffic congestion at the aforementioned locations. The I-405/Wilmington Avenue interchange (Post Mile 9.56) is located approximately 3.4 miles south of the I-405/I-110 interchange (Post Mile 12.97). The intersection of Wilmington Avenue/223rd Street is located approximately 500 feet south of the I-405/Wilmington Avenue interchange.

The proposed project site is located within the City of Carson, at the interchange of Wilmington Avenue and I-405. The site is bounded by commercial and residential properties to the north, commercial properties to the east, 223rd Street to the south, and commercial properties to the west.

Project Title: 2008 Plan Amendment to the Merged Central Business District and West End Redevelopment Project Area
Reg. Significance: No
Lead Agency: City of Azusa
City/County/Subregion: Azusa/Los Angeles/San Gabriel Valley
Contact: Bruce A. Coleman - (626) 812-5236
Comment Due Date: 5/22/2008

Project Description: The City of Azusa and the Azusa Redevelopment Agency desire to amend the Merged Central Business District and West End Redevelopment Project Area. The 2008 Plan Amendment proposes to: 1) add 15.1 acres of developed land to the existing Merged Project Area; and 3) reinstate the Agency's eminent domain authority on two commercial properties. The purpose of the 2008 Plan Amendment is to eliminate the conditions of physical and economic blight that exist in the Project Area through rehabilitation, revitalization and reuse of existing properties.

Project Title: Baldwin Park Municipal Code Amendment
Reg. Significance: No
Lead Agency: City of Baldwin Park
City/County/Subregion: Baldwin Park/Los Angeles/San Gabriel Valley
Contact: Amy Harbin - (626) 960-4011
Comment Due Date: 5/8/2008

Project Description: Section 153.003 of the Baldwin Park Municipal Code defines "department store" according to three criteria: (i) a single business entity that occupies not less than 70 percent of the gross floor area devoted to the use, (ii) all uses in the store utilize a centralized accounting system, determined as such by the Director pursuant to section 153.621, and (iii) having up to three (3) additional businesses located within its interior floor area.

The Project proposes an Amendment to Section 153.003 of the Baldwin Park Municipal Code. Specifically, criteria (iii), detailed above, would be revised to allow a department store to "have to six additional businesses located within its interior floor area."

City/County/Subregion: City of Los Angeles/Los Angeles/Los Angeles City
Contact: David Somers - (213) 978-1355
Comment Due Date: 5/8/2008

Project Description: Holland Development proposes to re-develop a 4.1-acre property that is currently improved with five multi-use buildings, carports, service bays and a paid public surface parking lot. The project site is located along 6th Street, between Lucas Avenue and S. Bixel Street, in the Westlake community. The Project proposes to demolish at least four of the existing on-site structures, carports, service bays and surface parking areas to develop an irregularly shaped mixed-use building up to ten stories tall around a landscaped Project-oriented courtyard on the podium level.

The proposed mixed of uses consists of up to approximately 725 apartments, including a minimum of 15 percent as affordable units, and 39,999 square feet or less of commercial retail use. The project location is 1102-1136 W. 6th Street, 632-636 S. Lucas Avenue, 611-629 S. Bixel Street, Los Angeles, CA 90026.

Project Title: Meadowpass Road Extension Project
Reg. Significance: No
Lead Agency: City of Walnut
City/County/Subregion: Walnut/Los Angeles/San Gabriel Valley
Contact: Daniel Fox, AICP - (909) 595-7543
Comment Due Date: 5/26/2008

Project Description: Meadowpass Road is identified in the Walnut General Plan as a Secondary Street, and two segments between Amar Road and Pierre Road have not been constructed. The proposed project involves the acquisition of right-of-way (80 feet wide, and approximately 1,775 linear feet) and the construction of the two roadway segments (which may include two or four lanes), including, sidewalks, equestrian/hiking trails, utilities and drainage facilities. The improvements would align with the completed improvements on both the north and south ends of the existing roadway.

The proposed project location is between Amar Road on the north and Pierre Road on the south, in the City of Walnut, Los Angeles County.

Lead Agency: County of Riverside
City/County/Subregion: County of Riverside/Riverside/Coachella Valley
Contact: Andrew Gonzalez - (951) 955-2137
Comment Due Date: 5/16/2008

Project Description: The project site is located in the unincorporated Eastvale community of western Riverside County; more specifically, west of Archibald Avenue, south of Schleisman Road, and east of the Cucamonga Creek.

The proposed project includes approximately 20 acres of multi-family residential development, totaling approximately 240 residential units, with a proposed recreation center and water quality basin.

Change of Zone No. 7589 proposes to change the project site's zoning classification from Heavy Agriculture -1 acre minimum (A-2-1) to General Residential (R-3).

Tentative Tract No. 35751 proposes a schedule "A" subdivision 19.88 gross acres into one lot including the development 240 attached and detached dwelling units, as well as related streets and infrastructure. The project also includes the construction of a recreation center and a water quality control basin.

General Plan Amendment No. 887 proposes to change the project site's General Plan Land Use Designation from Community Development: Medium Density Residential to Community Development: High Density Residential.

Agricultural Preserve Case No. 975 is a request to cancel the Williamson Act contract affecting approximately 20 acres and to diminish the Mira Loma Agricultural Preserve No. 4 by removing said 20 acres.

Project Description: The Aliso Creek Area Plan encompasses a total of approximately 325.8 acres in the southern portion of the City of Laguna Beach, east of South Coast Highway and Aliso Beach, in Orange County, California.

The proposed project would include the following components:

251.4-acre Conservation Area - This area would be preserved pursuant to an approved Habitat Management Plan (HMP) and dedicated to the City of Laguna Beach or other approved entity. Public hiking trails and overlooks, consistent with the HMP, area anticipated.

51.6-acre Recreation Area -- This area would include the new Aliso Creek public-use Golf Course that will be improved, operated, and maintained by the applicant. It also includes areas owned by the County of Orange and South Coast Water District (SCWD) that are currently zoned Recreation. New improvements would include a new resort entry area, public trail bridge over Aliso Creek, and an upgraded SCWD maintenance facility.

14.7-acre Inn and Cottages Area -- This area would include 36 Inn and Spa hotel rooms and 36 Guest Room Cottages for a total of 72 hotel rental rooms and suites. In addition, there would be 12 Inn residences and 27 Residences Cottages for a total of 39 privately owned, residential units.

8.1-acre Aliso Lots Residential Area -- This area would be re-graded to provide geotechnical stability and subdivided for nine single-family lots. The lots range from approximately 10,000 to 53,100 square feet.

Contact: Rosalinh Ung - (949) 644-3208
Comment Due Date: 5/19/2008

Project Description: The applicant, Collection Investments Corona del Mar, Inc. (Panini Hospitality Group), is proposing the relocation of the Panini Cafe, which is currently located at 2333 East Coast Highway, to 2421 East Coast Highway in Corona del Mar. The proposed project includes the operation of a full service restaurant, an outdoor dining area, and an off-site parking agreement request. Project implementation will necessitate the following discretionary approvals by the City of Newport Beach: (1) approval of Use Permit 2007-010 to operate 3,820-square foot full-service, high turnover eating and drinking establishment with a net public area of 640 square feet, and to allow alcohol beverage service of beer and wine with a Type "41" ABC License (On-Sale Beer and Wind Eating Place); (2) approval of Accessory Outdoor Dining Permit 2007-006 to allow the construction and operation of a 160-square foot outdoor dining area in conjunction with the proposed full service restaurant; and (3) approval of Off-Site Parking Agreement 2007-001 to satisfy the off-street parking requirement for the proposed restaurant utilizing the off-site property located at 7 Corporate Plaza.

Project Title: Industry Business Center Revised Plan of Development-NFL Stadium
Reg. Significance: Yes
Lead Agency: City of Industry
City/County/Subregion: Industry/Los Angeles/San Gabriel Valley
Contact: Michael Kissell - (626) 333-2211
Comment Due Date: 5/19/2008

Project Description: The IBC site consists of a 245-acre parcel on the east side of Grand Avenue and a 347-acre parcel on the west side of Grand Avenue, which is currently owned by the Industry Urban Development Agency (IUDA). The previous IBC Plan of Development, which was analyzed in the 2004 certified Final Environmental Impact Report (State Clearinghouse #2003121086), created several large Planning Areas for the development of up to 4.8 million square feet of built space, including 633,000 square feet of industrial uses, 1,268,000 square feet of retail uses, and 2,878,000 square feet of office uses. The proposed revisions to the IBC Plan of Development would cover approximately 530 acres of the 592-acre IBC site.

The modified Plan of Development would include, among other things, a National Football League (NFL) stadium with practice fields, team training facilities, and team offices; a sports medical center; retail uses; restaurants; entertainment uses; other office buildings; and parking areas to accommodate all uses.

Comment Due Date: 5/19/2008

Project Description: The applicant proposes to subdivide the subject property into two lots, Parcels A and B. Parcel A will be approximately 508,244 square feet (11.67 acres) and will retain, with minor alterations to accommodate the lot split, the existing nine-hole golf course, driving range, and 22 surface parking spaces. The 1.1 acre site at the northwesterly corner of Whitsett Avenue and Valleyheart Drive, developed with a fire station, is not a part of the subject project. Parcel B will be approximately 193,466 square feet (4.44 acres) and will be developed with an approximately 336,000 square-foot, 200-unit senior residential condominium campus.

Project Title: City of Santa Paula General Plan 2008-20014 Housing Element Update
Reg. Significance: Yes
Lead Agency: City of Santa Paula
City/County/Subregion: Santa Paula/Ventura/Ventura
Contact: Judith Johnduff, AICP - (805) 933-4251
Comment Due Date: 5/21/2008

Project Description: The proposed City of Santa Paula General Plan 2008-2024 Housing Element Update establishes the City's policies, programs, and quantified objectives to meeting the housing needs of the City's population. The adoption of the updated Housing Element will not by itself result in any environmental impact, as the project is a policy document on housing issues. The Housing Element itself does not expand the residential growth potential of the City; rather, it works within the framework previously established by the Land Use Element of the 1998 General Plan.

City/County/Subregion: Calexico/Imperial/Imperial Valley
Contact: Armando G. Villa - (760) 768-2105
Comment Due Date: 6/6/2008

Project Description: The 2008 Amendment No. Four proposes to add territory to the area now included within the Merged Central Business District and Residential Redevelopment Project. The primary objective of the Amendment is to provide for a variety of possible Redevelopment activities pursuant to the CCRL within the Added Territory, and to help further similar, ongoing redevelopment activities within the existing Merged Project Area. Such activities are designed to help remedy deficient physical and economic conditions in the Added Territory, and to further similar, ongoing activities within the Merged Project Area.

The proposed project is located entirely within the City's incorporated limits, the Added Territory is an area comprised of approximately 1169.7 acres.

City/County/Subregion: Santa Clarita/Los Angeles/North Los Angeles County
Contact: Jason Smisko - (661) 255-4330
Comment Due Date: 5/18/2008

Project Description: The City of Santa Clarita has prepared an application to the California Public Utilities Commission (CPUC) for approval of an at-grade roadway and pedestrian crossing of the Southern Pacific Railroad tracks within the city limits at the current eastern

terminus of Lyons Avenue.

The project for this first stage of the EIR is California Public Utilities Commission (CPUC) approval, and construction of, the at-grade crossing at Lyons Avenue. The second stage would consist of the extension of Lyons Avenue/Dockweiler Drive to Via Princessa and the development and implementation of a larger Specific Plan.

City/County/Subregion: City of Los Angeles/Los Angeles/Los Angeles City
Contact: John Moreno - (213) 892-7425
Comment Due Date: 5/20/2008

Project Description: The proposed project involves the development of a two- or three-story elementary school classroom building with underground parking, administration offices, a library, a multi-purpose building, a playground area, a sports field, hardcourts, and a service yard. The proposed project would demolish all existing structures on the site, and relocated the existing Vernon Library Pocket Park located within the proposed school site. Central Region Elementary School No. 21 would provide 65-0 two-semester seats for students in grades Kindergarten through Five (K-5) and employ approximately 50 to 52 full-time and part-time faculty and staff.

The project site consists of 2.81 acres within the City of Los Angeles. It is bordered by 45th Street to the north, 46th Street to the south, Central Avenue to the east, and single- and multi-family residences to the west.

Comment Due Date: 5/10/2008

Project Description:

The proposed school site is located on 4.01 acres in the City of Los Angeles, Los Angeles County, approximately 0.5 mile west of the I-110 Freeway. The proposed school site is bounded on the north by West 68th Street, on the east by Menlo Avenue, on the south by West 69th Street, and on the west by South Vermont Avenue.

Los Angeles Unified School District is proposing to construct and operate an elementary school, known as the the South Region Elementary School No. 11 Project, in LAUSD Local District 7 in the City of Los Angeles. The proposed project is intended to relieve overcrowding and restore pre-2002 classroom size norms at existing schools within the South Region Planning Area, specifically at Loren Miller Elementary School, 68th Street Elementary School, and 75th Street Elementary School.

Project Description: The project site consists of approximately 68 acres in the City of Perris. The proposed site is bounded by the alignment for the future Murrieta Road on the east, Redlands Avenue on the west, East San Jacinto Avenue on the north, and Interstate 215 to the south.

The proposed project consists of a commercial shopping center on approximately 68 acres (gross). The proposed project will involve the development of approximately 670,000 square feet of retail uses. The proposed retail center would include a Target Department Store (Target), as well as other retail, service, and restaurant uses. The proposal includes the construction of six "Major" tenants, fourteen smaller commercial buildings, and approximately 3,100 parking stalls.

Project Description: A development project known as the Paradise Hills Specific Plan was approved by the City of San Bernardino in 1993. Due to economic conditions, the project was never built. Recently, the project has been extensively revised to cluster development south of the San Andreas Fault which crosses the property, eliminate development in Upper Badger Canyon and Create a land plan that embraces the California State University at San Bernardino (CSUSB). A new project called the University Hills Specific Plan (UHSP) has been proposed on this property and consists of 404.3 total acres with 21% or 85.6 net acres devoted to residential uses. A total of 980 units are proposed with a gross density of 2.4 dwelling units per acre

(980 units divided by 404.3 acres) a net density of 6.2 units per area excluding natural open space and parks.

Contact: Ralph G. Appy, Ph.D. - (310) 732-3675
Comment Due Date: 6/30/2008

Project Description: The Port and Corps originally released the Berth 97-109 (China Shipping) Container Terminal Project Draft EIS/EIR in August 2006 Based on comments received on the Draft EIS/EIR, a decision was made to re-circulate the document. The April 2008 Draft EIS/EIR is a full recirculation of the original Draft EIS/EIR and addresses comments received on the August 2006 document.

The proposed Project includes the expansion, redevelopment, and construction of marine container terminal facilities on 142 acres of backlands. The terminal would be developed by Los Angeles Harbor Department in three phases of construction, Phase I (completed in 2003 with operations starting in 2004), Phase II, and Phase III, with estimated completion dates of 2011, and 2012, respectively. The terminal would operate over a 40-year lease (2005 to 2045).
